# Meet Blue

Blue is a very friendly bear who loves to explore British Columbia, but Blue is more than just a bear ... Blue is also a superhero (you can tell by the red cape!).

Being a superhero, Blue is always ready to lend a helping paw and has lots of friends who need a little help.

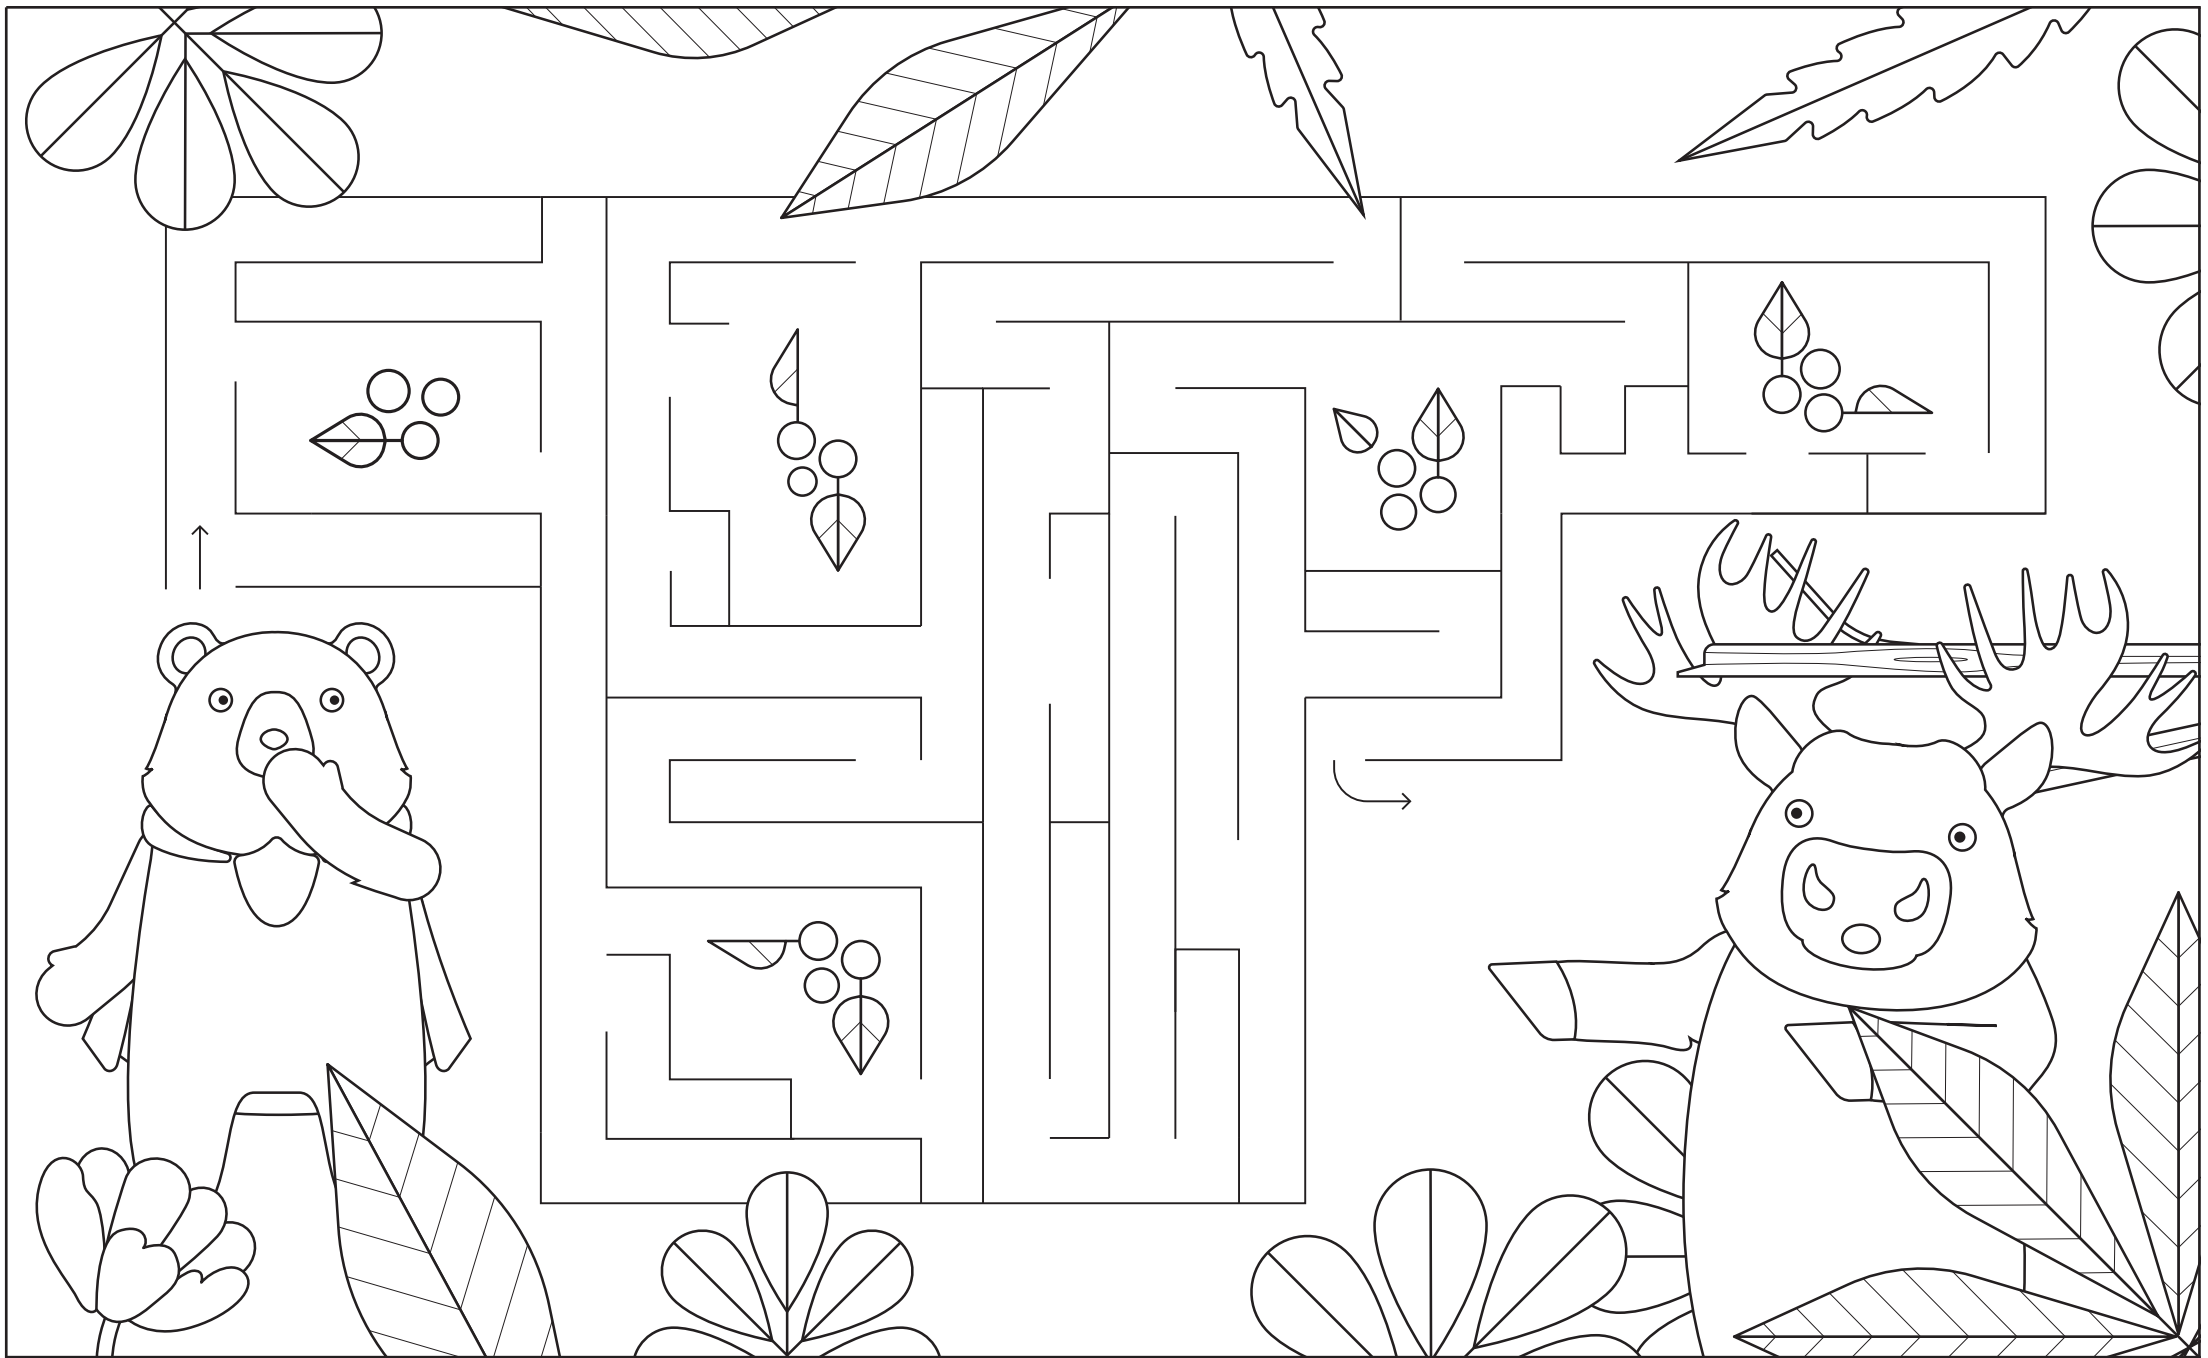

Hey! Let's go on a journey to learn more about me and some of my furry friends!

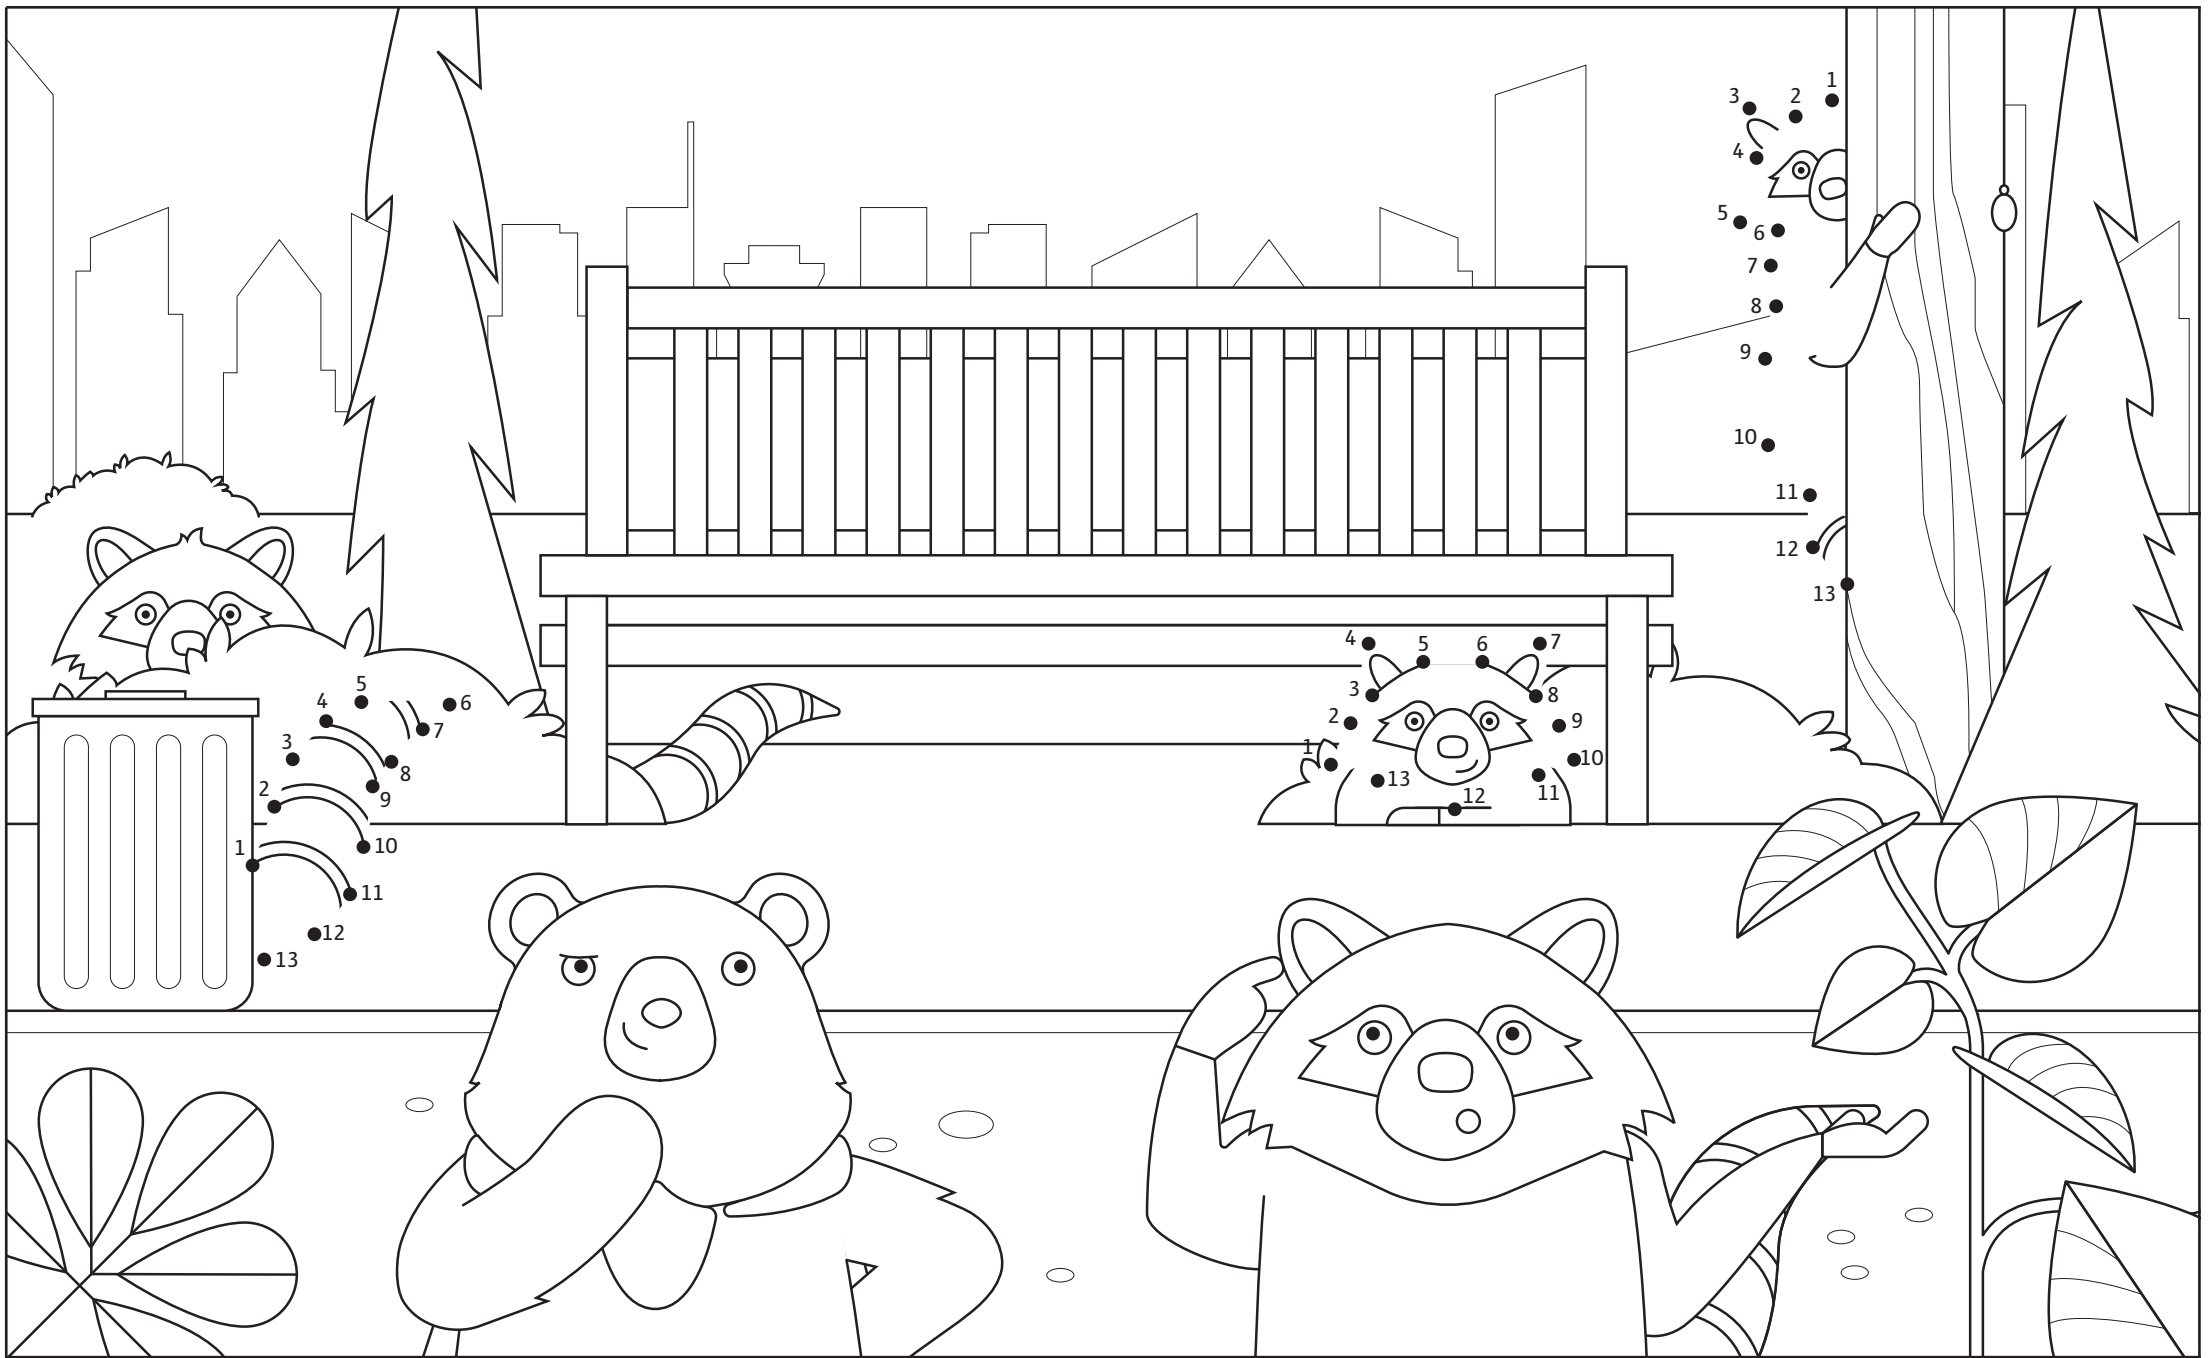

Victoria is an otter who loves to swim and explore in the ocean. Victoria lives in the kelp forests off Vancouver Island with her family.

**Victoria's family is hiding in the kelp forest. Can you help Blue find them? Every time you spot Victoria's family, colour them in!**

Fernie is a gentle moose who lives in the interior wilderness of British Columbia. Fernie likes to walk on the lake shorelines, eat leafy plants and splash in the water.

**Fernie got stuck in a bramble forest while eating some leafy treats. Can you help Blue lead him to safety? Pick the five berries along the way and colour them in while travelling through the maze!**

Stanley is a raccoon who lives in and around the parks of downtown Vancouver. He likes to climb trees and explore the many bushes and trails in the parks at night. He has a large family with five brothers and sisters.

**Stanley is playing hide and seek with his friends but cannot find some of them. Can you help Blue by connecting the dots to find where the rest of the raccoons are hiding?**
